

## Darth

*Unlikely that this card actually represents a physical death (Darth) Typically it implies an end, possibly of a relationship or interest, and therefore implies an increased sense of self-awareness. Free yourself from a past that no longer serves you well and proceed toward the future.*

*Upright card (keywords): Endings, Failure, Letting go of attachments, Mortality, Profound change, More*

*Reversed card (keywords): Delayed endings, Depression, Living unaware, Long terminal illness*
